

*Dear (Name of Quilt Recipient),*

*I have made this (Name of Quilt Pattern) especially for you. I enjoyed making this quilt and I hope it keeps you warm and safe for many years to come.*

*As you can tell, your quilt is not quite completed yet. After this (party, event, family gathering, etc.) I will take your quilt to my machine quilter (Name of Machine Quilter) who will “do her magic” to complete your quilt. As soon as your quilt is completed it will be returned to you, ready for you to use and love.*

*All my love,*
